03	G 41 (62	440 TO 01 1.1			

Section 662.110 Definitions

86

87		
88	a)	Unless specified otherwise in subsection (b), all terms shall have the meanings set
89	/	forth in the Environmental Protection Act (Act) [415 ILCS 5] and the regulations
90		adopted under that Act (35 Ill. Adm. Code: Subtitle F) and the federal Safe
91		Drinking Water Act (SDWA), as amended (42 <u>U.S.C. USC</u> 300j-12 et seq.).
92		g (, , , , , , , , , , , , , , ,
93	b)	For the purposes of this Part, the following definitions apply:
94	,	
95		Act – The Environmental Protection Act [415 ILCS 5].
96		
97		"Acute Violation" – Exceedance of a maximum contaminant level (MCL) or
98		treatment technique requirement for a contaminant that would require the owner
99		or operator of the community water supply to issue a Tier 1 public notice pursuant
100		to 35 Ill. Adm. Code 611.
101		
102		Addenda – Documents issued by the loan applicant after advertisement for bids,
103		which modify or interpret the contract documents, drawings, and specifications,
104		by additions, deletions, clarifications, or corrections.
105		
106		Agency – Illinois Environmental Protection Agency. [415 ILCS 5/19.2(a)]
107		
108		Asset Management Plan – Any system-wide plan that contains the information on
109		asset conditions, service levels, customer needs, and financial resources to ensure
110		the loan applicant can conduct planned maintenance and repair, replace, and
111		upgrade capital assets to reliably provide quality service for the foreseeable
112		future.
113		
114		BABA Act – The portion of the BIL Act at Sections 70901 through 70952 (Public
115		Law 117-58; 41 U.S.C. 8301 note) also known as the Build America Buy
116		America Act.
117		
118		BIL Act – The Bipartisan Infrastructure Law (Public Law 117-58) also known as
119		the Infrastructure Investment and Jobs Act of 2021 or IIJA.
120		
121		Billed Customers - The customers receiving a bill who are responsible for paying
122		for water services.
123		
124		Binding Commitment – A legal obligation between the Agency and the loan
125		recipient to provide financial assistance from the PWSLP to the loan recipient,
126		specifying the terms and schedules under which assistance is provided. The loan
127		agreement will be considered a binding commitment.
128		

129	Capitalization Grant – The actual federal funds received by the Agency for
130	deposit into the PWSLP as a result of the capitalization grant agreement with
131	USEPA.
132	
133	Capitalization Grant Agreement – The agreement entered into each federal fiscal
134	year between the Agency and USEPA for the purpose of providing a grant to
135	capitalize the PWSLP and enable the Agency to provide assistance for PWSLP
136	projects.
137	
138	Change Order – A written order by the loan recipient to the contractor authorizing
139	an addition, deletion or revision in the work within the general scope of the
140	contract documents, or authorizing an adjustment in the contract price or contract
141	time.
142	
143	"Chronic Violation" – Exceedance of an MCL or treatment technique requirement
144	for a contaminant that would require the owner or operator of the community
145	water supply to issue a Tier 2 or Tier 3 public notice pursuant to 35 Ill. Adm.
146	Code 611.
147	0000 011.
148	Construction – Any one or more of the following which is undertaken for a public
149	purpose: preliminary planning to determine the feasibility of the public water
150	supply, engineering, architectural, legal, fiscal or economic investigations, or
151	studies, surveys, designs, plans, working drawings, specifications, procedures or
152	other necessary actions, erection, building, acquisition, alteration, remodeling,
153	improvement or extension of public water supplies, or the inspection or
154	supervision of any of the foregoing items. [415 ILCS 5/19.2]
155	supervision of any of the foregoing tiems. [113 IDES 3/17.2]
156	Contract Documents – The contract, including but not limited to advertisement for
157	bids, information for bidders, bid, bid bond, agreement, payment bond,
158	performance bond, notice of award, notice to proceed, change order, drawings,
159	specifications, and addenda.
160	specifications, and addenda.
161	Compliance Project – A project that consists of construction, expansion, or
162	upgrading of a treatment works necessary to meet State and federal requirements
163	as specified in 35 Ill. Adm. Code: Subtitle F and the SDWA, respectively.
164	as specified in 33 m. Adm. Code. Subtitle 1 and the 3D WA, respectively.
165	Dedicated Source of Revenue – The type of security and the basis of legal
166	authorization that are dedicated by legislative enactment or other appropriate
167	authority, along with the applicable revenue source pledged for repayment and
168	recorded in an account for the purpose of loan repayment, which is sufficient to
169	repay the principal and interest on the loan.
170	repay the principal and interest on the toan.
1/0	

171 Design – All administrative, legal, and engineering tasks, subsequent to Project 172 Plan approval but prior to advertisement for bid proposal, associated with receiving approval of a loan application. This must include the following: 173 174 surveys, designs, plans, working drawings, specifications, soil investigations, and 175 any other tests or process determinations required to establish design criteria, and 176 development of user charge systems and sewer use ordinances. 177 178 Director – Director of the Illinois Environmental Protection Agency. 179 180 Disadvantaged Community – A public water supply owned by a local government 181 unit or not-for-profit water corporation that qualifies for either the Small 182 Community Rate or Hardship Rate as defined in Section 662.210. Energy Efficiency – The use of improved technologies and practices to reduce the

energy consumption of water quality projects, including projects to reduce energy consumption or produce clean energy used by a treatment works.

Environmentally Innovative Projects – Projects that demonstrate new and/or innovative approaches to managing water resources in a more sustainable way, including projects that achieve pollution prevention or pollutant removal with reduced cost and projects that foster adaptation of water protection programs and practices to climate change.

Facilities – Equipment or operating systems that are constructed, installed or established to serve the particular purpose of improving or augmenting sustainability for public water supplies and public water supply facilities in a watershed. Facilities may involve stand-alone projects or be involved as component pieces of public water supplies and public water supply projects. Facilities in the context of the Green Project Reserve will address green infrastructure, water and energy efficiency improvements, and other environmentally innovative activities.

Fixed Loan Rate – The simple annual fixed rate on the loan, which includes an interest rate portion and a loan support rate portion. The fixed loan rate shall be determined on an annual basis by the procedures defined in Section 662.210.

Interest Rate – The interest rate is a portion of the Fixed Loan Rate and shall not be less than one-half of the Fixed Loan Rate rounded to the nearest 0.01%. The monies generated by the interest rate portion of the Fixed Loan Rate shall be deposited in the PWSLP receipt account within the Fund.

207

208

209

210

211

212

213 Loan Support Rate – The loan support rate is a portion of the Fixed Loan 214 Rate and shall not exceed one-half of the Fixed Loan Rate rounded to the 215 nearest 0.01%. The monies generated by the loan support rate portion of 216 the Fixed Loan Rate shall be deposited in the Loan Support Program 217 receipt account within the Fund. 218 219 Fund – The Water Revolving Fund as authorized by Section 19.3 of the Act, 220 consisting of the Water Pollution Control Loan Program, the Public Water Supply 221 *Loan Program, and the Loan Support Program.* [415 ILCS 5/19.2(b)] 222 223 Green Infrastructure – Includes a wide array of practices at multiple scales that 224 manage and treat stormwater and that maintain and restore natural hydrology by 225 infiltrating, evapotranspiring, and capturing and using stormwater. On a regional 226 scale, green infrastructure is the preservation and restoration of natural landscape 227 features, such as forests, floodplains, and wetlands, coupled with policies that 228 reduce overall imperviousness in a watershed. On a local scale, green 229 infrastructure consists of site- and neighborhood-specific practices, such as 230 bioretention, trees, green roofs, porous pavements, and cisterns. 231 232 Green Project Reserve – The portion of funded projects, as required by the 233 Capitalization Grant, identified by the Agency in its Intended Use Plan and annual 234 report Annual Report that address green infrastructure, water and energy efficiency improvements, and other environmentally innovative activities as 235 236 directed by federal law. 237 238 Health Hazard – A health hazard exists when concentrations of regulated 239 contaminants, in a water supply, or concentrations of contaminants not otherwise 240 regulated, exceed health effects standards published in USEPA Health Advisories, 241 or by the Illinois Department of Public Health or by the Centers for Disease 242 Control and Prevention or that otherwise pose an immediate threat to public 243 health. 244 245 Initiation of Loan Repayment Period – The date in a loan agreement or 246 amendment that establishes the beginning point of the loan repayment period. 247 248 Initiation of Operation – The date specified by the loan agreement on which use 249 of the project began operation for the purposes that it was planned, designed, and constructed. 250 251 252 Intended Use Plan – A plan which includes a description of the short and long 253 term goals and objectives of the Public Water Supply Loan Program, project 254 categories, discharge requirements, terms of financial assistance and the loan 255 applicants to be served. [415 ILCS 5/19.2(e)]

256

Interstate Agency – An agency of two or more states established by or pursuant to an agreement or compact approved by the <u>U.S. US</u> Congress, or any other agency of two or more states, having substantial powers or duties pertaining to the control of pollution as determined and approved by USEPA.

Iron and Steel Products – The following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

Loan – A loan made from the Public Water Supply Loan Program to an eligible applicant as a result of a contractual agreement between the Agency and such applicant. [415 ILCS 5/19.2(c)]

Loan Agreement – The contractual agreement document between the Agency and the loan recipient that contains the terms and conditions governing the loan issued from the PWSLP.

Loan Applicant – The public water supply that has applied for a loan from the PWSLP under this Part.

Loan Procedures – The procedures for issuing loans from the PWSLP as set out in this Part.

Loan Recipient – The public water supply that has been provided a loan from the PWSLP under this Part.

Local Government Unit – A county, municipality, township, municipal or county sewerage or utility authority, sanitary district, public water district, improvement authority or any other political subdivision whose primary purpose is to construct, operate and maintain wastewater treatment facilities, including storm water treatment systems, or public water supply facilities or both. [415 ILCS 5/19.2(g)]

Market Interest Rate – The mean interest rate of the 20 General Obligation Bond Buyer Index, from July 1 through June 30 of the preceding year, rounded to the nearest 0.01%.

Maximum Contaminant Level or MCL – The maximum permissible level of a contaminant in water that is delivered to any user of a public water supply.

298 Median Household Income or MHI – The median household income is the 299 American Community Survey 5-year estimate from the U.S. US Department of 300 Commerce, Bureau of the Census. 301 302 Operating Agreement – The agreement between the Agency and USEPA that 303 establishes the policies, procedures, and activities for the application and receipt 304 of federal capitalization grant funds for capitalization of the PWSLP. 305 Person – Any individual, partnership, co-partnership, firm, company, limited 306 307 liability company, corporation, association, joint stock company, trust, estate, 308 political subdivision, state agency, or any other legal entity, or their legal 309 representative, agent or assigns. [415 ILCS 5/3.315] 310 311 Principal – The total amount of funds distributed to loan recipients for eligible 312 project costs. 313 314 Privately Owned Community Water Supply – An investor-owned water utility, if 315 under Illinois Commerce Commission regulation and operating as a separate and 316 distinct water utility; a not-for-profit water corporation, if operating specifically 317 as a water utility; and a mutually owned or cooperatively owned community 318 water system, if operating as a separate water utility. [415 ILCS 5/19.2(h)] 319 320 Project – The activities or tasks the Agency identifies in the loan agreement for 321 which the loan recipient may expend loan funds. 322 323 Project Priority List – An ordered listing of projects developed in accordance with 324 the priority system described in 35 Ill. Adm. Code 663 that the Agency has 325 determined are eligible to receive financial assistance from the PWSLP. 326 327 PWSLP – The Public Water Supply Loan Program as authorized by Section 19.2 328 of the Act. 329 330 Public Water Supply – All mains, pipes and structures through which water is 331 obtained and distributed to the public, including wells and well structures, intakes 332 and cribs, pumping stations, treatment plants, reservoirs, storage tanks and 333 appurtenances, collectively or severally, actually used or intended for use for the 334 purpose of furnishing water for drinking or general domestic use and which serve 335 at least 15 service connections or which regularly serve at least 25 persons at 336 least 60 days per year. A public water supply is either a "community water 337 supply" or a "non-community water supply". [415 ILCS 5/3.365] 338 339 Responsible Bid – A bid that demonstrates the apparent ability of the bidder to 340 successfully meet all the requirements specified in the contract documents.

341	Information necessary to demonstrate responsibility may be corrected or
342	submitted after bid opening.
343	
344	Responsive Bid – A bid that complies with all meaningful or material aspects of
345	the contract documents. The bid must constitute a definite and unqualified offer
346	to meet the material requirements of the contract documents including any terms
347	that affect price, quality, quantity, or time of delivery, or are clearly identified in
348	the contract documents to be complied with at the risk of bid rejection for
349	nonresponsiveness. Bid defects resulting in a nonresponsive bid may not be
350	corrected after the bid opening.
351	
352	SDWA – The Safe Drinking Water Act, as amended (42 <u>U.S.C. USC</u> 300f et seq.)
353	
354	Service Population – The number of people served by the loan applicant.
355	
356	Source of Revenue – All revenues of the loan applicant that are sufficient to repay
357	the principal and interest (as calculated by the fixed loan rate) on the loan.
358	
359	Subagreement – A written agreement between the loan recipient and another
360	party, and any tier of agreement under that written agreement, to furnish services,
361	supplies, or equipment necessary to complete the project for which a loan is
362	provided, including construction contracts, contracts for personal and professional
363	services, and purchase orders.
364	-
365	Treatment Technique Requirement – An enforceable procedure developed by
366	USEPA when it is not economically or technologically feasible to ascertain the
367	level of a contaminant. Public water supplies must follow this procedure and trea
368	their drinking water supplies according to USEPA specifications to ensure the
369	contaminant is controlled.
370	
371	Unemployment Rate – The annual average unemployment rate calculated by the
372	Illinois Department of Employment Security, Economic Information and Analysis
373	Division.
374	
375	Useful Life – The estimated period during which a public water supply facility is
376	intended to be operable, as certified by the project's consulting licensed
377	professional engineer.
378	Provious viiginiovii
379	USEPA – The United States Environmental Protection Agency.
380	22_11 1nt 2mits 2mits 2n. no.mits in 1190000 119000 1
381	User Charge – A charge levied on the users of a public water supply to produce
382	adequate revenues for the operation, maintenance, and replacement of the public
383	water supply.

386		
387		SUBPART B: FINANCING TERMS
388	0	
389	Section 662.	210 Fixed Loan Rate
390 391	The interest r	ente of the loan agreement shall be a fived loan rate and shall be established as
391 392	follows:	rate of the loan agreement shall be a fixed loan rate and shall be established as
393	lollows.	
394	a)	Base 3020 Year Rate – Loan agreements with a repayment period not to exceed
395	ω,	3020 years shall have a fixed loan rate equal to 50% of the market interest rate
396		(mean interest rate of the 20 General Obligation Bond Buyer Index, from July 1
397		through June 30 of the preceding State fiscal year rounded to the nearest 0.01%).
398		
399	b)	Small Community Rate – A public water supply with a service population less
400		than 25,000 that also meets any one of the following three criteria qualify for a
401		fixed loan rate equal to 75% of the Base 3020 Year Rate:
402		
103		1) The median household income of the public water supply's service
104		population is less than the statewide average.
405		
106		2) The unemployment rate of the public water supply's service population is
107		greater than the statewide average.
108		2) The militer and a militer a
409 410		The public water supply's annual user charge, based upon the average monthly bill of the public water supply's residential customers, is greater
+10 411		than 1.0% of the median household income of the public water supply's
412		service population.
413		service population.
114	c)	Hardship Rate – A public water supply with a service population less than 10,000
415	,	that also meets any one of the following three criteria qualify for a fixed loan rate
416		of 1.0%:
417		
418		1) The median household income of the public water supply's service
119		population is below 70% of the statewide average.
120		
421		2) The unemployment rate of the public water supply's service population is
122		at least 3.0 percentage points greater than the statewide average.
123		
124		The public water supply's annual user charge, based upon the average
125		monthly bill of the public water supply's residential customers, is greater

426 427		than 1.5% of the median household income of the public water supply's service population.
428	.1\	Engineering the Discourt When at least 500% of the divide manifest
429	d)	Environmental Impact Discount – When at least 50% of the eligible project costs
430		fund any of the following components, the loan applicant shall receive a 0.2%
431 432		discount from the rates established in subsection (a), (b), or (c):
432 433		1) green infrastructure projects;
433 434		1) green mirastructure projects,
435		2) projects lowering water demand;
436		2) projects lowering water demand,
437		3) projects reducing energy demands at a public water supply; or
438		projects reducing energy demands at a paone water suppry, or
439		4) projects involving the removal or replacement of lead in water mains or
440		service lines.
441		
442	(Sour	ce: Amended at 47 Ill. Reg, effective)
443	`	<i>C</i>
444	Section 662.2	220 Loan Repayment Period
445		
446	a)	Except as provided in subsections (b) and (c), the loan repayment period cannot
447		exceed the lesser of $\underline{3020}$ years beyond the initiation of operation date, $\underline{3020}$ years
448		beyond the initiation of the loan repayment period, or the projected useful life of
449		the project to be financed with proceeds of the loan.
450		
451	b)	For loan applicants that are a disadvantaged community, the loan repayment
452		period cannot exceed the lesser of $\underline{4030}$ years beyond the initiation of operation
453		date, $\underline{4030}$ years beyond the initiation of the loan repayment period, or the
454		projected useful life of the project to be financed with proceeds of the loan.
455		
456	c)	The Agency may require a loan repayment period term of less than the maximum.
457		In evaluating the appropriateness of alternative loan terms, the Agency shall
458		consider such factors as the scope of the proposed project, the impacts of
459		alternative loan terms on user fees, and the overall cost of the project.

462 463	Section 662	240 Restructuring
464	Section 002.2	240 Restructuring
465	Δ11 restructur	ing shall be consistent with the objectives of the SDWA and shall meet the
466	requirements	· ·
467	requirements	or and rate
468	a)	A written request for the restructuring of the loan obligation must be submitted in

469		writing to the Agency. Each written request for restructuring shall contain all of
470		the following:
471		
472		1) The name of the applicant and the Agency loan number;
473		
474		2) A statement explaining when it was determined that restructuring was
475		needed;
476		
477		3) A statement explaining all remedial measures taken prior to the
478		determination that restructuring was needed;
479		
480		4) A statement explaining why restructuring is in the best interest of the State
481		and the applicant;
482		
483		5) A description of the financing terms desired and the facts that the
484		applicant believes warrant the Agency's approval of the restructuring; and
485		
486		6) A description of the applicant's financial capability and dedicated source
487		of revenue for repayment of the restructured loan in accordance with
488		Section $662.350(a)(98)$ through $(a)(1412)$.
489		
490	b)	The Agency will approve restructuring based on financial and economic
491	,	considerations that may include, but are not limited to, the following:
492		
493		1) the loan recipient's ability to repay the loan;
494		1) une louis reception de messay de l'estat louis,
495		2) circumstances beyond the control of the applicant; and
496		2) and an even of the time uppromise, and
497		3) the financial hardship the existing loan imposes on the loan recipient.
498		3) the intaletal hardship the existing four imposes on the four recipient.
499	c)	Restructured loan agreements shall have a fixed loan rate equal to the lesser of the
500	<i>C)</i>	fixed loan rate in the original loan agreement or the current appropriate fixed loan
501		rate under Section 662.210.
502		Tate under Section 602.210.
503	d)	Except as provided in subsection (e), the loan repayment period for a restructured
503 504	u)	loan cannot exceed the lesser of 3020 years beyond the initiation of operation
50 4 505		date, 3020 years beyond the initiation of the loan repayment period established by
506 507		the original loan agreement, or the projected useful life of the project to be
		financed with proceeds of the original loan.
508	-1	For a loop applicant that is a disadvantaged assumption the loop was served.
509	e)	For a loan applicant that is a disadvantaged community, the loan repayment
510		period for a restructured loan cannot exceed the lesser of $\frac{4030}{1000}$ years beyond the
511		initiation of operation date, 4030 years beyond the initiation of the loan

512 513			ment period established by the original loan agreement, or the projected l life of the project to be financed with proceeds of the original loan.

- of indebtedness to be delivered to the Agency, and proof the ordinance was adopted in accordance with State law, including publication and notice requirements when applicable; or
- B) Privately owned community water supplies: documents such as, but not limited to, a copy of board resolutions to incur the debt, Articles of Incorporation, By-laws, Partnership Agreements, or a legal opinion stating that the loan applicant has the authority to incur debt;
- 109) Documentation to support the loan applicant's ability to repay all principal and interest of the loan:
 - A) A financial capability demonstration shall be submitted to the Agency for approval and shall contain:
 - i) detailed project costs;
 - ii) <u>5-year 5 year projected estimates of revenues;</u>
 - iii) <u>5-year 5 year</u> projected estimates of operation and maintenance costs;
 - iv) <u>5-year</u> projected estimates of local capital costs; and
 - v) the most recent completed annual audited financial statements of the loan applicant;
 - B) A user charge system, when a user charge system is the dedicated source of revenue, shall be submitted to the Agency and shall:
 - be enacted and enforceable before the first loan disbursement (when applicable, approval of the rate increase by the Illinois Commerce Commission will be required);
 - ii) generate sufficient revenue to offset the cost for operation, maintenance, and replacement required to be provided by the loan recipient for all projects authorized under this Part;
 - iii) be incorporated in one or more municipal legislative enactments or other appropriate authorizations;

598			iv)	provide the average monthly cost of service for a
599				residential customer based upon the average monthly water
600				usage for a residential customer or the appropriate average
601				monthly residential cost of service based upon the
602				methodology established within the loan applicant's system
603				of user charges. If the loan applicant has substantial
604				industrial and/or commercial customers, the loan applicant
605				must provide similar monthly user charge information for
606				the customers within those rate classes. In addition, the
607				loan applicant must provide the number of billed residential
608				and industrial or commercial accounts;
609				
610		C)	A dedi	cated source of revenue adequate to make loan repayments
611			for the	term of the loan. If the dedicated source of revenue is
612			pledge	d in a subordinate position, the loan applicant must establish
613			a reser	ve account that provides the Agency with the equivalent
614			covera	ge and reserves as the senior lien holders. At a minimum,
615			the res	erve account shall be equal to the annual principal and
616			interes	t payment funded within 2 years after the loan award;
617				
618		D)	For a p	privately owned community water supply, appropriate legal
619			docum	ents will be provided to enable the Agency to perfect its
620				y interest in the revenues of the loan applicant and other
621				al properties offered as security by filing the necessary
622			_	ation under the Uniform Commercial Code [810 ILCS 5];
623				
624		E)	For a p	privately owned community water supply, approval from the
625			Illinois	s Commerce Commission to incur debt, if applicable; and
626				
627		F)	Upon 1	request by the Agency, any other documentation necessary
628				onstrate the loan applicant's ability to repay all principal and
629				t of the loan, including, but not limited to, a credit report.
630				
631	<u>1110</u>)	A legal	l opinio	n from the loan applicant's legal counsel with respect to the
632		validity	y and ei	nforceability of the loan applicant's obligations and the
633		absenc	e of cor	iflicts with other agreements, bonds, or ordinances;
634				
635	<u>12</u> 11)	A Tax	Exemp	tion Certificate and Agreement;
636			-	_
637	<u>1312</u>)	A proje	ect com	pletion schedule; and
638				•
639	<u>14</u> 13)	an activ	ve Data	Universal Number System Identification (DUNS No.)
640				ne federal System for Award Management Systems.

- 6) the Build America Buy America Act (BABA Act) at Public Law 117-58, Sections 70901 through 70952 (41 U.S.C. 8301 note), as applicable; and
-) any applicable federal or State executive orders.
- c) A complete set of bidding documents shall be maintained by the loan recipient and shall be available for inspection and copying. Bidding documents shall include:
 - 1) A complete statement of the work to be performed, including necessary drawings and specifications, and the required completion schedule;
 - 2) The terms and conditions of the contract to be awarded;
 - 3) A clear explanation of the method of bidding, the method of evaluation of bid prices, and the basis and method for award of the contract;
 - 4) The statement that any contract awarded in response to the bid is expected to be funded in part by a loan from the PWSLP, and that neither the State of Illinois nor any of its departments, agencies, or employees is or will be a party to this bidding or any resulting contract;
 - 5) Responsibility requirements or criteria that will be used in evaluating bidders, provided that an experience requirement or performance bond may not be used unless adequately justified by the loan recipient;
 - A proposal form, to be used by all bidders, that includes the following language:
 - A) By submission of the bid, each bidder certifies, and in the case of a joint bid, each party to the joint bid certifies as to the party's his or her own organization, that, in connection with the bid:
 - i) the prices in the bid have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to the prices with any other bidder or with any competitor;
 - ii) unless otherwise required by law, the prices quoted in the bid have not knowingly been directly or indirectly disclosed to any other bidder or to any competitor prior to opening; and

- iii) no attempt has been made or will be made by the bidder to induce any other person or firm to submit or withhold a bid for the purpose of restricting competition. Also, each bidder shall submit a certification regarding compliance with Section 33E-11 of the Illinois Criminal Code of 2012 [720 ILCS 5];
- B) Each person signing the bid shall certify that:
 - i) the signer he or she is the person in the bidder's organization responsible for the decision as to the prices being bid and that the signer he or she has not participated, and will not participate, in any action contrary to subsection (c)(6)(A); or
 - ii) the signer he or she is not the person in the bidder's organization responsible for the decision as to the prices being bid, but that the signer he or she has been authorized to act as agent certifying that the persons determining the prices have not participated, and will not participate, in any action contrary to subsection (c)(6)(A), and as the bidder's agent shall so certify. The signer He or she shall also certify that the signer he or she has not participated, and will not participate, in any action contrary to subsection (c)(6)(A).
- d) If the loan applicant wishes to amend any part of the bidding documents (including drawings and specifications) during the period when bids are being prepared, the loan applicant shall send written addenda to all firms who have obtained bidding documents in time to be considered prior to the bid opening. When appropriate, the time period for submission of bids shall be extended. All addenda to the bidding documents shall be submitted to the Agency for approval.
- e) Awarding the Contract
 - 1) After bids are opened, they shall be evaluated by the loan applicant in accordance with the methods and criteria set out in the bidding documents.
 - 2) The loan applicant shall submit a bid evaluation to the Agency that contains the following:
 - A) a copy of the newspaper ad and the certificate of publication or equivalent;

- B) the bid tabulations;
- C) any addenda issued by the loan applicant, if applicable;
- D) an analysis of the bids and recommendations for the award of the bids:
- E) a copy of the loan applicant's notice of intent to award;
- F) selected bidder's proposal and bid bond or cashier's check for not less than 5% of the bid amount;
- G) a summary of the evidence that the selected bidder has met the disadvantaged business enterprise requirements of 40 CFR 33;
- H) a copy of the selected bidder's certification regarding the use of American iron and steel products;
- <u>I)</u> a copy of the selected bidder's certification regarding the compliance with the BABA Act, as applicable.
- The loan applicant may reserve the right to reject all bids if it has documented sound business reasons. Unless all bids are rejected, award shall be made to the low, responsive, responsible bidder after the Agency issues the loan agreement or provides other written permission; and
- 4) If the award is intended to be made to a firm that did not submit the lowest bid, prior to any award the loan applicant shall submit to the Agency a written statement explaining why each lower bidder was deemed not responsive or not responsible.
- f) Each construction contract shall include the following provisions:
 - 1) Audit; Access to Records
 - A) The contractor shall maintain books, records, documents and other evidence directly pertinent to performance on loan work in accordance with generally accepted accounting principles. The contractor shall also maintain the financial information and data used by the contractor in the preparation or support of any cost submissions required under Section 662.420(b)(2) and a copy of the cost summary submitted to the owner. The Illinois Auditor

General, the owner, the Agency, or any of their authorized representatives shall have access to the books, records, papers, documents, and other evidence for purposes of inspection, audit, examination, excerpts, transcriptions, and copying. The contractor shall provide facilities for access and inspection.

- B) For a formally advertised, competitively awarded, fixed price contract, the contractor shall include access to records as required by subsection (a)(1)(A) for all negotiated change orders and contract amendments in excess of \$25,000 that affect the contract price. In the case of all other prime contracts, the contractor shall agree to include access to records required by subsection (a)(1)(A) in all contracts and all tier subcontracts or change orders in excess of \$25,000 that are directly related to project performance.
- C) Audits shall be in accordance with U.S. generally accepted auditing standards.
- D) The contractor shall agree to the disclosure of all information and reports resulting from access to records required by subsection (a)(1)(A). When the audit concerns the contractor, the auditing agency shall afford the contractor an opportunity for an audit exit conference and an opportunity to comment on the pertinent portions of the draft audit report. The final audit report shall include the written comments, if any, of the audited parties.
- E) The records required by subsection (a)(1)(A) shall be maintained and made available during performance of the work under the loan agreement and for 3 years after the date of final loan audit. In addition, records that relate to any dispute or litigation or the settlement of claims arising out of any performance, costs or items to which an audit exception has been taken shall be maintained and made available for 3 years after resolution of the dispute, appeal, litigation, claim, or exception.
- F) The right of access will generally be exercised with respect to financial records under:
 - i) negotiated prime contracts;
 - ii) negotiated change orders or contract amendments in excess of \$25,000 affecting the price of any formally advertised, competitively awarded, fixed price contract; and

856			
857		iii)	subcontracts or purchase orders under any contract other
858			than a formally advertised, competitively awarded, fixed
859			price contract.
860			
861		G) The r	right of access will generally not be exercised with respect to a
862		prime	e contract, subcontract, or purchase order awarded after
863		effect	tive price competition. In any event, the right of access shall
864		be ex	ercised under any type of contract or subcontract:
865			
866		i)	with respect to records pertaining directly to contract
867			performance, excluding any financial records of the
868			contractor; and
869			
870		ii)	if there is any indication that fraud, gross abuse, or corrupt
871		,	practices may be involved in the award or performance of
872			the contract or subcontract.
873			
874	2)	Covenant As	gainst Contingent Fees
875	,	_	or shall warrant that no person or selling agency has been
876			retained to solicit or secure the contract upon an agreement or
877			g for a commission, percentage, brokerage, or contingent fee.
878			r violation of this warranty, the owner shall have the right to
879			ntract without liability or in its discretion to deduct from the
880			e or consideration, or otherwise recover, the full amount of
881		_	ion, percentage, brokerage, or contingent fee.
882		the commissi	ion, percentage, brokerage, or contingent rec.
883	3)	Wage Provis	ions
884	3)	The contractor shall pay prevailing wages in accordance with the Davis-	
885			40 U.S.C. USC 3141 through 3148) as defined by the U.S.US
886		Department of Labor.	
887		Department	SI Editor.
888	4)	Disadvantag	ed Business Enterprise Requirements
889	7)	_	or shall provide evidence that the contractor has taken
890			teps in accordance with 40 CFR 33 to assure that
891			ed business enterprises are used when possible as sources of
892			sipment, construction, and services, consistent with the
893			f the Agency's Operating Agreement with USEPA.
894		provisions of	the Agency's Operating Agreement with OSLIA.
	5)	Dahamanta	nd Cyananaian Duavisiana
895	5)		and Suspension Provisions
896 koz			shall require the successful bidders to submit a Certification
897		Regarding D	ebarment, Suspension, and Other Responsibility Matters

898			(EPA Form 5700-49) showing compliance with federal Executive Order
899			12549.
900			N (IF The Day)
901		6)	Nonsegregated Facilities Provisions
902			The contractor shall be required to submit a certification of nonsegregated
903			facilities as prescribed by 18 <u>U.S.C. USC</u> 1001.
904		7	A
905		7)	American Iron and Steel
906			The contractor shall be required to use American <u>ironIron</u> and <u>steelSteel</u> , if
907			required by USEPA for that fiscal year.
908		0)	
909		<u>8)</u>	Build America Buy America
910			If applicable, the contractor shall be required to comply with the
911			requirements of the BABA Act.
912			
913		<u>9</u> 8)	A clause that provides:
914			
915			"No contractor or subcontractor shall discriminate on the basis of race,
916			color, national origin or sex in the performance of this contract. The
917			contractor or subcontractor shall carry out applicable requirements of
918			40 CFR 33 in the award and administration of contracts awarded under
919			the PWSLP. Failure by the contractor or subcontractor to carry out
920			these requirements is a material breach of this contract which may
921			result in the termination of this contract or other legally available
922			remedies."
923			
924	g)		ontracts Under Construction Contracts
925			award or execution of all subcontracts by a prime contractor and the
926		procu	rement and negotiation procedures used by the prime contractor shall
927		comp	oly with:
928			
929		1)	all applicable provisions of federal, State, and local law;
930			
931		2)	all provisions of this Part regarding fraud and other unlawful or corrupt
932			practices;
933			
934		3)	all provisions of this Part with respect to access to facilities, records, and
935			audit of records; and
936			
937		4)	all provisions of subsection (f)(5) that require a Certification Regarding
938			Debarment, Suspension, and Other Responsibility Matters (EPA Form
939			5700-49) showing compliance with any controlling federal Executive
940			Orders.

<i>9</i> 41				
942	h)	Contractor Bankruptcy		
943		In the event of a contractor bankruptcy, the loan recipient shall notify the Agency		
944		and shall keep the Agency advised of any negotiations with the bonding company		
945		including any proposed settlement. The Agency may participate in those		
946		negotiations and will advise the loan recipient of the impact of any proposed		
947		settlement to the loan agreement. The loan recipient shall be responsible for		
948		assuring that every appropriate procedure and incidental legal requirement is		
949		observed in advertising for bids and re-awarding a construction contract.		
950				
951	i)	Every contract entered into by the loan recipient for construction work, and every		
952		subagreement, shall provide Agency representatives with access to the work. The		
953		contractor or subcontractor shall provide facilities for the access and inspection.
